Purpose:

The nursery school is a vital part of the total ministry of Central Assembly of God Church, Houston, Pennsylvania. Our purpose is to meet the needs of the individual. We will encourage each child to develop to the maximum of his or her abilities. The staff will provide personal attention and help each child to understand himself or herself as a person of value. We strive to develop in each child the awareness of Jesus Christ.

Objectives:

We will provide your child with a complete, supervised program in a Christian atmosphere of love and care. Our goal is to make nursery school a wonderful time of learning, exploring, and making new friends. Our hope is for each child to learn social skills, follow directions, and know how to be kind to one another. In addition to preschool preparation and social skills, our main goal is that each child knows the importance of having Jesus in his/her life. Your child will learn Bible stories and that these wonderful stories are true. Each child should know Jesus loves him, Jesus is always with him, and Jesus is very real.
